

Location Research Worksheet

Use this worksheet to keep track of useful information about the venues that you find during the research phase. The following resources can help you start your search: Social media sites, events calendars, travel sites, your network (family, friends, and colleagues), search engines, and venue websites.

Basic Info: Name of the location, address, website link and social media property links (Facebook, Instagram, Snapchat, LinkedIn, YouTube, etc.)

Why will the location benefit from the shoot?

Location hours of operation and potential POC's name/contact info

Your preferred shoot dates and times

Interesting facts or links to articles about the location
